## WHY USE POWERCORE?

Powercore's breadth of experience means we have an extensive range of customers including manufacturers, resellers, brokers, maintenance and disaster recovery companies, system integrators, software houses, rental companies and IT consultants.

Most importantly, whatever type of trade customer you are, look at all the benefits you get when purchasing IBM, HP or Sun hardware from Powercore:

- Will the hardware be genuine IBM, HP or SUN manufacture? **YES**
- Do I get a warranty on the hardware I buy? **YES**
- Is it configured to my exact requirements? **YES**
- Is it fitted with the correct plugs and cables? **YES**
- Is there serial number tracking to confirm an item's history? **YES**
- Are Powercore's engineers manufacturer qualified or accredited? **YES**
- Will I receive proper after sales help if there is a problem? **YES**
- Am I getting excellent value for money from Powercore? **YES**

## LOGISTICS DELIVERY

Our logistics team is dedicated to distributing our customers' orders by the best and most cost effective means. Some of the benefits we can offer you include:

- Ideally located near Heathrow airport
- Same day or next day deliveries from 9am in the UK
- Next day deliveries to most European and many USA destinations
- Spare parts and large items despatched in bespoke protective packaging
- Availability – our Logistics team can help you 8am – 6pm, Mon – Fri

We believe our logistics service is second to none. We will always go out of our way to ensure your order is despatched to the **right place**, at the **right time**, at the **right price**.
